BUILD A NURTURING FAMILY ENVIRONMENT

1. Promote communication by modeling how share openly and listen intently
2. Build family connections by seeing relatives on a regular basis
3. Establish a few regular family routines inside and outside the home
4. Promote social behavior by putting your child in more social situations and use praise
5. Be flexible with your child and compromise or negotiate when possible
6. Monitor your child and know what he or she is doing online and offline
7. Minimize stressors in the home by avoiding conflict as much as possible
8. Practice self-care by taking time for yourself to enjoy friends or special activities
